The DIMMER VIEW

Good Words Make Good Deeds

Almost every issue a newspaper proves that its readers are sensistively responsive.

It isn't that a test is necessary to prove the point — it's just that a newspaper, by the nature of the material disseminated, proves time-after-time that it excites people to do things and most of the things they do are useful.

With that thought in mind we'd like to review some projects this newspaper promoted recently from which the response was predictably vigorous.

There was the Miss Lemon Grove contest at the Junior high school. Approximately 200 persons came to cheer on the seven contenders for the crown. Not only was this newspaper the outlet for information, the editor was the contest chairman. It was a successful and happy event.

The following night, this newspaper sponsored a public meeting at which an executive of the Federal Housing and Urban Development Commission was the speaker.

More than 400 persons attended as part of the overflow crowd at San Miguel school auditorium. Many others didn't stay because they couldn't get in to get a seat.

The meeting was informative and productive of emotion. People came and people learned. It was useful, anyway it is viewed.

Then there was the yarn we ran for Bill Vandenberg. He wanted to give away excess lemons from his nine lemon trees.

Readers took advantage of his offer and stripped his trees of lemons—except for a bushel which he brought to us. It took us five days to divest ourselves of a bushel of lemons by giving them to employees and visitors. Vandenberg gave away approximately 45 bushels in part of a day just from the paragraph we ran.

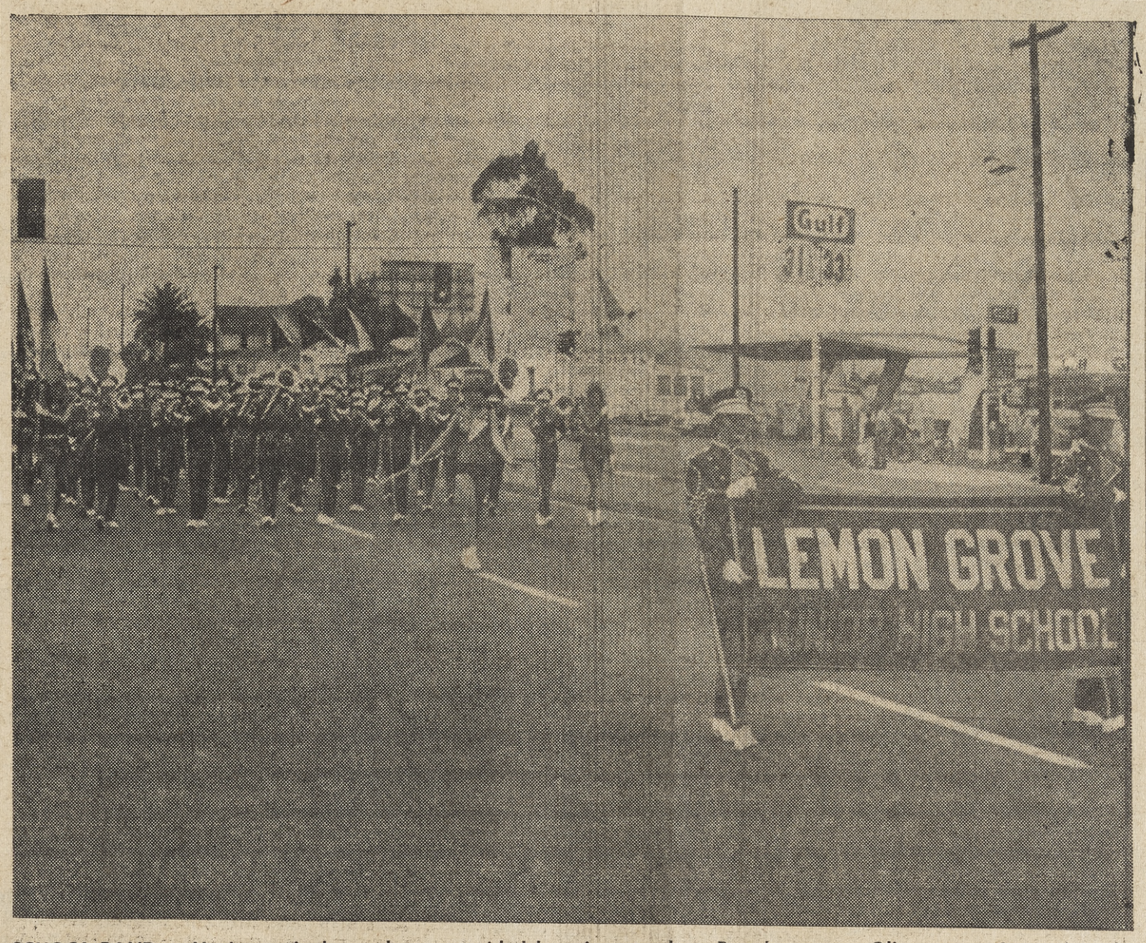
Then there was the citizens' meeting Tuesday at Spring Valley Junior High school. This was the aftermath of this newspaper's prodding interested citizens to gather to see what protection might be developed following the unconscionable beating of a young college student at the hands of four juveniles on a Spring Valley street.

This meeting showed that citizens want relief from a condition they consider intolerable — and they'll keep on until they get it.

All these meetings served residents of the community and they would either have been less successful or would not have been at all without the good, strong arm of the local newspaper and the useful words it prints.

A wise man once said that there are no idle words. We are a firm believer of this premise. Words properly used can help many people. We are proud of the words we used to bring about the three events of the last week.

We promise to continue using good words for these good purposes.



SCHOOL BAND — Music to stir the soul was provided by several bands. one, the marching band of the Lemon Grove Junior High School marches prettily in front of the reviewing stand on Broadway near Olive street. Approximately 50 units participated in the parade. Already, plans are being readied for next year's Old Time Days.

Old Time Days Parade 'Biggest and Best Ever'

It was the biggest and best event ever staged in Lemon Grove.

That is the concensus of opinion of participants, onlookers and workers at the Old Time Days parade Saturday.

The parade ran a little longer than had been anticipated—but who could knock a parade because it was long?

All the way from the resplendent marshal, Bob Howell, to the beauteous queen, Karen Arthur and the nimble baton twirlers, the parade held the record crowd enthralled. Music from a half dozen sterling bands made the onlookers hearts beat faster.

The parade climaxed a three-day Old Time Days event—but not quite. For a little group of youngsters who had dressed in costume, there was yet the costume contest—and 12 prizes were awarded.

Winners of the youngsters contest were: Steven Reilly, Karen Pearson, Edward Lejeck, James Carmichael, Wendy Schlay, Kendra Morgan, Bridgette Springston, Lauree Reed, Scott Craig, Bruce Johnson, Scott Reed and Kery Morgan.

Dr. Sam Smith, chairman of the Old Time Days event this year said that whole project was much bigger and better than he had anticipated.

"The cooperation we got was so great that the whole event was as smooth as any ever staged in Lemon Grove.

"The spectators were pleased and it is they for whom we put the event on," he said.

"We're already planning for next year's edition, he added.

Robert Browne, president of the Chamber of Commerce, said he was "delighted."

"Those who mounted the event are to be congratulated," he said. "Old Time Days brought a lot of people here who might not have been here otherwise.

"It shows what can be done when people cooperate. The cooperation extended to the residents as well as the participants and business people."

Plaques were awarded to all participants through a contribution made by George Scott, owner of Walker-Scott Department stores. More than 50 plaques were given, according to Bob Mastny, parade chairman.

Car is Balky

Municipal Judge Richard Donovan who rode in the parade as a marshal of a section was scheduled to drive his vintage Buick. He was unable to get it started at home so he drove the family car to the parade. Bob Mastny, parade chairman, borrowed a Cadillac from a Broadway auto dealer and the judge rode in late-model style.

Judge Donovan returned home immediately after the parade and tried to start the old Buick again. "It kicked right off," Judge Donovan said.

He then drove it back to Lemon Grove where he visited many of his friends—"to show them it really ran."

MISS LEMON? — Sam Pernicano, former president of the Lemon Grove Chamber of Commerce, was an overstuffed twirlerette in the Old Time Days parade Saturday. Pernicano, who is also area chairman of the anti-litter campaign, claims he paraded in the garb pictured above "to beautify" the event.

Spring Valley Man Commits Suicide

The body of Grover Ferguerson Hall was discovered in a parked auto near his mobile home at 1200 Grand, Spring Valley, May 27.

A suicide note was discovered in the car. The victim had been shot in the head with a .38 caliber revolver. The pistol was located in the backseat of the car.

The victim's wife, Mary, discovered the body and notified the sheriff's office. Mrs. Hall later said she threw the weapon in the backseat, having found it near her husband's hand.

According to Mrs. Hall, her husband had a drinking problem and she had considered having him hospitalized.

Hall was officially pronounced dead upon arrival at Paradise Valley Hospital.

Juvenile Crime Rate Spurs Formation Of SV-LG Community Meet

A public meeting was called May 23 for the purpose of investigating existing laws governing juveniles by the citizens of Lemon Grove and Spring Valley who were concerned over the high rate of juvenile crime in the area. The meeting was held at the Spring Valley Junior High School.

Twenty citizens stepped forward to offer their services to the group to do "what they could" about the existing problem.

Of the 20, five were chosen to represent the body as a working board. The five are: chairman, Spring Valley Fire Chief Frank Berger; Judge Charles F. Cook (ret.) an attorney; Reverand Louis Ginn, Pastor Bancroft Baptist Church; Verne G. Watts, manager Beneficial Insurance Group and president of the Spring Valley Kiwanis Club; and Richard C. McGarvey Dean of Students at Mount Miguel High School.

Other members of the council included: a service station manager, a housewife, a teacher, a member of the Spring Valley Chamber of Commerce, several public school administrators, an attorney, a representative from Casa de Ora Men's Club; a member of the Spring Valley Women's Club, an officer of the La Presa Town Council, and other citizens.

The committee is seeking ways and means of combating juvenile crime and trying to discover the root of the trouble. Suggestions from the floor included: The formation of clubs, youth activities, etc., for the young people. The Spring Valley area was termed a "blind spot" in the recreational activities for young people of the area.

People from La Mesa and El Cajon also attended the meeting.

Suggestions and information is being solicited by the commitee, and should be addressed to Rev. Louis Ginn, P.O. Box 1234, Spring Valley.

The next meeting will be held at the Spring Valley Junior High School June 20 at 8 p.m. Teenagers are welcome.

L.G. DeMolay Boys Bowl Record For USO

Lemon Grove DeMolay boys set a record, according to Donald Smith, a DeMolay advisor, when they bowled 104 hours this week.

Twenty-five boys, bowling two at a time in two hour shifts, achieved the record at midnight Tuesday. A record of 102 hours was held at Kenoga, Wisconsin.

It was part of a fund-raising project for San Diego's USO. Funds were raised by selling auto radio antenna flags for $1 each. The project raised approximately $100 during the five-days—but the boys had a lot of fun.

The facilities were donated by the Lemon Grove Bowlero. Balls, shoes and score sheets were supplied by Bowlero manager Fred Stroh, without charge.

Bowling started at 4 p.m. Friday and before the last ball was rolled, the boys had bowled 104 hours; had played 1,479 games, and had knocked over 167.737. pins.

Smith estimated that a bowling ball would have reached Gila Bend, Arizona if all the rolls could have been joined together.

The highest score of 237 was rolled by Bill Simmons, and an unnamed youth bowled 56.

Many bowlers switched from right to left handed bowling as arms became sore.

Boys who participated are: Don Abbott, L.G.; Tom Badgett, L.G.; Gary Bryant, L.M.; Randy Buskard, S.D.; Charles Carter, S.V.; James Caster, S. D.; Jess Dawson, L.G.; Don Davis, S.D.; Ken Day, S.D., and Hal DeRegne, L.G.

Also: Bill Frick, S.D.; Bruce Haden, S.V.; Gary Hann, S.V.; William Howden, S.D.; Don Jackson, L.G.; Phil Johnson, E. C.; Joe Kent, L.G.; Bill Simmons, L.G.; Bill Madison, S.D.; Richard Middleton, L.M.; Brad Peterson, S.V.; Gary Reed, S. D.; Larry Schauffler, L.G.; Ed Shurley, L.G.; Ben Small, L. G.; Mike Small, L.G.; Robert Spaeth, L.M.; Cary Thorogood, L.M.; Tom Tittle, S.V.; David Weeks, S.V., and Steven Winn, L.G.

Cliff Castner is advisor in charge of the DeMolay boys.

Posters Warn Glue Sniffers

Because of continued growing concern over "glue sniffing" by juveniles, a warning poster is being made available by the Probation Department.

The poster was developed with the approval of all law enforcement agencies and the Office of the County Counsel. It will be distributed by the law enforcement agencies and the County Probation Department.

Spot checks with wholesalers and retailers indicated their willingness to make use of it. The 11"x14" poster printed in red is provided for display in stores selling model cement to assist retailers in explaining to customers why under California law model cement, except when contained in a model kit, may not be sold to persons under 18 years of age. It is not intended to affect adversely in any way the creative hobby of model making, Rogers said. It is hoped, however, that in assisting the retailers to contol properly the sale of model cement, the purchase and use of model cement for the purpose of intoxication will be reduced.

An accompanying pamphlet prepared by the Probation Department will help to explain the dangers involved in "glue sniffing." A copy of this pamphlet may be secured by writing to the San Diego County Probation Department, Box 968, San Diego, 92112.

The posters will be delivered to all police departments and the Sheriff's Department this week for distribution in their areas.

Youngsters Fail To Put Rock on Tracks

Several youths, apparently attempting to roll a huge boulder onto the railway tracks at Grove street near the freeway only succeeded in moving the ton and a half rock a few feet.

The incident was reported by an observant motorist, Mrs. Richard Van Zele, of Lemon Grove.

When firemen arrived at the site, the youngsters had fled. Firemen moved the rock down a hill, eliminating the hazard.

Night Court Seen For SD

A night court for San Diego County is just a signature away from reality following Friday's passage of a bill authored by Assemblyman Wadie Deddeh. The bill has already passed the Assembly.

The night court bill is Deddeh's first major piece of legislation to be processed through both houses of the California legislature.

Siren Test Due Monday

The monthly test of civil defense sirens will be held at noon, Monday, June 5, William B. Marty, county administartive officer for civil defense said.

Citizens are asked to call 448-4611 to notify the Civil Defense Office at Gillespie Field if the siren in their area does not sound, Marty said.

New Sewer Fee Starts July 1 in Lemon Grove

There's a small tax break coming for Lemon Grove residents when the new sewer service charge goes into effect July 1.

A sewer service charge of $12 a year will be imposed on all residential users, but that much or more will be taken off the ad valorum tax roll. (Ad valorum tax is a tax based on property assessed valuation).

Where the residential property owner gets a break is the imposition of a varying schedule of charges on restaurants, service stations, trailer parks, and the like.

For the first time, schools and churches will pay for sewer use, too.

Joe Rushing, assistant director of the County Department of Special Services, said that the added income would permit a reduced ad valorum tax rate.

Rushing said the Lemon Grove Sanitation District with its 5,112 sewer connections, serves an area of 2,110 acres with 321,700 linear feet of trunk and collector lines.

The present assessed valuation is $24,109,970 with a current tax rate of $0.477 per $100 of assessed valuation. This rate will possibly be reduced to $0.150 after July 1. The district has no bonded indebtedness.

As a comparison, Spring Valley has an $18 a year fee. This will be increased to $24 July 1, Rushing said.

In Lemon Grove, the property not on sewer will have the advantage of the lower tax rate and no fee charge. The Sanitation District cost on these homes will drop about two-thirds, Rushing said.

The reason for the fee charge rather than a straight ad valrum tax is the result of wide inequities. Rushing said.

He cited one firm which now pays about $50 a year for sewer use. It will pay more than $900 a year under the new fee schedule, he said.

The fee schedule is based on usage, he said. The district pays a capacity fee of $24,000 a year. In addition, the district pays its proportionate cost of treatment and disposal. This amounts to an additional $24,000 a year. Funds must also be appropriated for maintenance of the sewer system.

An anticipated expenditure of $128,830 is listed in the preliminary budget for the district. It is estimated that $86,500 will be realized from fee charges. Rushing said that the fee income is about two-thirds of the budgeted needs leaving one-third to be raised by ad valorum taxes.

The sewer service charge will be collected on the tax roll with other taxes, he said.

Charged Youth Defended By Boss

In answer to telephone calls demanding the firing of a youth involved in the recent beating of a college student, the manager of Universal Boot Shop, George Heckard, made the following statement.

"At such a time when the boy is found guilty, the necessary action will be taken. Up until that time I still believe a man (or in this case, a boy) is innocent until proven guilty in a court of law."

Mr. Heckard said that the boy is one of the finest he's had working for him in his 35 years in business.

(Editor's note: The boy in question was one of the bystanders.)

Sunstroke and heat prostration are not uncommon with horses that have been worked hard in warm weather without access to adequate supplies of salt and water.

This Sunday

"LORD, teach us to pray."

In a sense it may truly be said that any offering to God is prayer. Public worship, devotional reading, charitable deed, work for a worthy cause —all or any of these may partake the quality of prayer if they are made an offering to God. But there is a very large if in that statement.

Patrick Raps U.S. Peaceniks

William Penn Patrick, Marin County Industrialist and 1966 candidate for Governor, formed the Support our Servicemen Committee (S.O.S.) through a recent series of ads in both California and New York newspapers.

"Americans who support our fighting men in Viet Nam must stand and be counted," said Patrick.

"The recent demonstrations, the 'Peaceniks' or whatever they are called, spread their disease of despair and lack of self respect into our schoolyards and backyards with their narcotics and anti-American activities. They demoralize our fighting men in Viet Nam, our yougsters at home and our friends abroad," Patrick said.

Buy Bonds where you work.

Sometimes it seems the job is 50% walking, 50% waiting, and 50% fighting. It's tough, tiring work. But these brave men believe in it. A majority of our servicemen overseas are helping to pay the bill for freedom through regular purchase of U.S. Savings Bonds. Would you like to show these men their sacrifice is appreciated? You do it—and you walk a bit taller—when you buy Bonds where you bank or join the Payroll Savings Plan where you work.

U.S. Savings Bonds

Bond facts: Savings Bonds pay you back $4 for every $3 at maturity in only seven years . . . are replaced free if lost, destroyed or stolen . . . have special tax advantages . . . can be redeemed whenever the need arises.

To The Outside World

by Kathy Powell

The end is in sight, and that is the philosophy of every student attending Mount Miguel. You're wrong if you think that Matadors are bearded alarmists running around with painted signs. No, the hallelujah chorus comes from the fact that school is almost over for another year. The only major batle left to face is that of finals.

As for the seniors, their final weeks at Miguel will indeed be busy ones. Today, for instance, is Baccalaureate practice and also time to pick up the caps and gowns to be used not only for graduation but also for that Baccalaureate service. The service itself will take place in the Church of Jesus Christ of Latter-Day Saints on Blossom Lane. As a change from the usual activity, the speaking, dedications, and so on will be handled entirely by students. The last actual day of class for the graduates will be June 13, and that day will also be the time for the senior annual signing party. After all the preparation, graduation exercises will be held Thursday, June 15 in the Mount Miguel stadium. Keep your fingers crossed for good weather.

Mount Miguel's 1967-1968 student government has begun its program for next year while this year's governing body is frantically struggling to finish out theirs. Planned for the next few days will be an orientation of the surrounding junior high schools. The objective is to give next year's freshmen an idea of just what high school is really like—if that's possible.

And a final word of acknowledgement to three young men who are putting together a small poetry volume containing works of various authors on campus. Not using the school as a sponor, Eugene Krazewski, John Bryant, and Pat Jackson have labeled their combined efforts Spectrum indicating a variation of moods, themes and styles. Let's hope they finish it soon; it may be a revolutionary step in the literature field.

A. For each connection to premises used exclusively for residential purposes (including incidental farming) the fee shall be $300.00. Provided that where more than one such connection is made to serve a parcel of land held in a single ownership and having an area of 7,500 square feet or less, the connection fee shall be charged only for the first connection to such parcel.

B. C. For each connection to premises used for commercial purposes or used other than exclusively for residential purposes (including incidental farming) and on which there is located or to be located a building or buildings having an aggregate area of 5,000 square feet or more, the fee shall be $5.00 per lineal foot of the premises fronting on, i.e., adjacent to, the sewer line; provided, however, where, as in the case of a corner lot, the premises have more than one frontage adjacent to the sewer line, the fee shall be computed on the basis of the frontage to which the connection is made and no charge shall be made for any other frontage until such time as such other frontage is connected to the sewer line; provided, further, that in no case shall the fee be less than $300.00; and provided further that this fee shall not be charged more than once for the same premises except in the case of premises having more than one frontage adjacent to the sewer line, in which case a fee shall be charged for each frontage when such frontage is connected to the sewer line.

The term "premises" as used in this subsection shall include not only the land on which there is located the building connected to the sewer but in addition shall include all land under the same ownership used in connection therewith or incidental thereto. Where only a portion of land under one ownership is used in connection with or incidental to the use of the building connected to the sewer, only such portion of land shall be considered as the "premises".

2. LETTERS TO THE EDITOR

California Convalescent Hosp.
La Mesa, California

Dear Editor:

Having nothing but time on my hands, during an indeterminate sentence by our friend, Dr. Brumbaugh I am at long last writing a letter to the editor.

You have done yourselves proud with the last issue. Everyone who contributed to this better-looking better reading newspaper is to be congratulated.

"Old Time Days" also appears to be coming out in a new smartened up edition. With all the promise of a new future for Lemon Grove, page one still contains harsh echoes of the past. "The overflow crowds" that greeted the invited guests—a representative of our own Federal government, no less—not of the USSR—with the same hostility that mars almost every public gathering today, is also a reminder that Lemon Grove rejected "unification" about a dozen years ago, and voted against incorportion on three separate occasions; a timorous fearful Lemon Grove that would have us return to the "good old days" pictured throughout your paper.

I see by the "Dimmer View" that Republicans have their problems, too. And how about Sam Yorty for one of the candidates? He's about as popular with orthodox Democrats as a case of smallpox. Yet, he persists in running as such from office to office.

Sincerely,
Mary Landesco

Dear Editor:

Sometimes it is human for all of us to think unkindly of people and the turn of events but those thoughts become fleeting when we think of the work devoted to the High School Bond Campaign. All of the hours of time and work committed to the campaign almost resulted in a victory for our youngsters and their educational opportunities.

Your unselfish giving of yourself in this much-needed project has certainly contributed to the progress of our community in the past and we're sure, will do so in the future.

It is difficult to find words to express our gratitude for your part in this great work for our children's future, but please accept praise and tribute for a job well done and the sacrifices it entailed for you.

We have appreciated the opportunity of counting on you.

Sincerely,
Albert C. Marshal

Dear Editor:

I have been told that my name was read at a recent meeting concerning the HUI program as being a member of a committee that was advocating this program.

It is true that I was invited to attend a meeting to learn information about this program, and on the basis of the information received at that meeting I was favorably impressed. However, since that time I have received further information which has caused me to change my position on the matter, and I wish it to be known that I am NOT advocating this program. Since I have received some very unfavorable publicity over this matter, I would appreciate it very much if you would publish this letter, making my position clear. I attended the first meeting only to get information!

Thank you,
Belle R. Ellis

Dear Editor:

At a time when flag burning, draft card burning and filthy speech are making headlines, why are our legislators in Sacramento trying to eliminate teaching patriotism and advoidance of profanity from the State Education Code.

Teaching patriotism and the avoidance of profanity are part of a teacher's job. To eliminate this when our schools and colleges are going through tremendous challenges to basic principles and decency is ridicules. Our teachers need all the help and support they can get from parents and the law. Do our law makers feel that patriotism is old fashion? Please write to your assemblyman and Senator at Sacramento on this matter.

GIRL SCOUT CHATTER

by Mary D. Giacinto

The Ancilla Domini Award, the highest award for Catholic Girl Scouts was awarded to 14 members of Cadette Girl Scout Troop no. 235 led by Nan Lutz and helper Jane Kotnik. The girls honored at a Mass at St. John of the Cross: Patty Balaban, Adela Bartmus, Marlene Botter, Debbie Costello, Joyce Hall, Karen Harnish, Barbara Kotnik, Laurine Lambert, Margaret Lutz, Jo Ann Matias, Carol McCrea, Cathy Prytel, Terri Stinchcomb, and Jery Tillman.

This award, meaning "Handmaid of the Lord," was earned by each girl giving over 100 hours in services to the church. The work included cleaning, caring for candles and holy water fonts, distribution of envelopes and pamphlets in pews, babysitting, singing in choir and helping at Saturday catechism classes. The girls also successfully completed four oral tests on many facets of their faith.

Father John Sostrich of St. John of the Cross officiated at the ceremony and highlighted it with an inspiring message. He then awarded each girl her Ancilla Domini Medal as she approached the altar. Mrs. Ceil Sutton, foundress of the award assisted Father Sostrich. Mrs. Sutton worked diligently with scouts and leaders of this diocese for 2 years building up the merit of this fine award. Mary Hall, district chairman for District X was also in attendance.

This particular presentation was "special" as troop no. 235 are the last troop to receive this award. In the future Catholic Girl Scouts will work toward the National Catholic Award — The Marian Award.

The celebrated occasion was followed by "brunch" at the Three Little Bears restaurant in the new Big Bear Shopping Center.

Helix High's Highland Notes

Formals and tuxedos are standing by and ready to go for tomorrow night's senior Prom. The Stardust Ballroom will be the setting for this, the social climax of our senior year.

The After-Prom will be held at University Lanes. The all-night affair will feature bowling, pool, dancing, a buffet dinner and prizes. It should be a lot of fun, and maybe even a bit tiring?

The Catamaran Hotel was the setting for the installation of new Speciality Corps leaders. They are Diane Sdao, captain; Janene Gardner, first lieutenant; Sharon Shannon, second lieutenant; Nancy Shepard, third lieutenant; and Holly Bacon, fourth lieutenant.

The annual Junior class party was held last Friday at the Santee Lakes. There was dancing, games, boating and a chicken dinner.

The faculty men edged the senior boys 6-5 in an exciting game held last week. Our vice-principal, Mr. Norman Robbins, was the featured pitcher for the faculty.

Some 1,700 students have signed up for summer school at Helix. They will be taking everything from civics to photography. Summer school allows students to take many classes which are necessary for graduation.
